Boos Busy Bees accepts that children will, on occasion want to bring their own possessions such as toys and games etc to the setting. While I will take as much care as possible to ensure the security of such belongings, I will not take any responsibility for their loss or damage.

This policy applies to all items belonging to a child including clothing and shoes etc.

Please be aware that there are children of all ages attending my setting where younger children may not have the same understanding of the value of expensive items such as ipods and ipads etc. Should older children wish to bring items such as these, I will encourage them to put them in a safer place away from the younger children. This however will be their responsibility.

I would ask that children are not permitted to bring mobile telephones with them to my setting. Should you wish that your child brings a mobile telephone, please discuss this with me beforehand.
